

# 1 GOD IS THE ONE TRUE GOD

*Important Bible Verse: "I am the LORD. There is no other God; I am the only God. . . ." (Isaiah 45:5)*

God is the only God. He said: "I am the LORD. There is no other God; I am the only God. . . ." (Isaiah 45:5)

God is **powerful**. God has more power than any person. He is more **powerful** than any human king. God can do everything that He decides to do. No person can take away the power of God.

God keeps His promises. God does only what is right. He never does wrong. He does not do bad things. God is always good.

God made the earth. He made all people. God could make all people **worship** Him. But He does not do that. God lets us choose to **worship** Him.

God wants us to **worship** Him. God does not want us to **worship** other **gods**. Other **gods** are made by people. These **gods** are false **gods**. God said, "You must not have any other **gods** except Me." (Exodus 20:3)

God made us, and He knows us. He knows when we are happy. He knows when we are sad. God knows everything about us.

God loves us. He wants to help us. We talk to God when we pray. God listens to our prayers. He answers our prayers.

God does not sleep. God does not leave us. He is always near.

We learn other names of God in the **Bible**. The **Bible** calls Him Father. The **Bible** calls Him the **Lord**. The **Bible** calls Him King.

God is the great God. He is the only God. He is the one true God.
