1. Punch out the pieces before class. Point to the picture of the church building. Say, **What is this? Yes, it is a church. But if there are no people in it, it is no good to anyone. God wants people to spend time together.** Add the people to the church.
2. Have children glue the people to the church.
3. Say, **Are you part of the Church? Yes! The Church is the people who know and love God and His Son, Jesus.** Draw a picture of you and some of your friends in the church.
