

**We all have people that love us and care for us.
Which of these things do your parents do for you?**

**How can you show your parents that you are thankful for them?
Color in the circles.**

You will need for this activity:

- Finger paint
- Paint smocks

Directions for Sheet 7 and 7b:

1. Talk with children about what is happening in each picture.
2. Say, **We all have people who love us and care for us. Let's use finger paint to draw a smiley face on the pictures that show what our parents do for us.**
3. Turn to Sheet 7b. Continue to talk with children about who cares for them as a guardian. Ask, **How can you show your parents that you are thankful for them? Color in the circles.**
